**Plant History:** Facility was built in 1928. In 1939, a special Chrysler royal convertible sedan was built for the 1939 Royal Tour and thousands were shipped overseas. From 1925-1965, vehicles produced at the plant included Plymouth two- and four -door sedans, Dodge hardtops, DeSoto convertibles, Chrysler station wagons and club coupes. Production of the Plymouth Valiant began in 1966 and concluded in 1975. Production of Chrysler Cordoba and Dodge Charger SE began in 1981. Production of minivans began in 1983. The 2005 Chrysler and Dodge minivans with Stow 'n Go® seating and storage system launched production in January 2004, with Swivel 'n Go coming on board in 2007. Production of the Volkswagen Routan began in August 2008. Chrysler Group recognized 25 years of minivan leadership in 2008 and the 13 millionth minivan was sold in August 2010.
