

The logo for the 2013 Dodge Dart is centered on a dark red, textured background. It features a stylized, metallic-looking 'D' on the left and 'RT' on the right, with 'ART' in between. The letters are white with a slight shadow effect. Above and below the main text are two horizontal, metallic-looking bars with curved ends. In the center, above the 'ART' part, the text '2013 DODGE' is written in a smaller, red, sans-serif font. The entire logo is framed by several concentric, faint circles of the same color as the background.
