[1] 2012 Wards Upper Small sedan costing under \$25,000 [2] The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. [3] Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. [4] No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. [5] Always check entire surroundings before manoeuvring your vehicle. [6] Must use Bluetooth compatible phone. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. [7] Never program while driving.
