Fuel Economy

Based on 2014 EnerGuide fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for EnerGuide information.

		CITY L/100 km (mpg)	HWY L/100 km (mpg)
2.0L I-4 DOHC/5-speed manual	4x2	8.9 (32)	6.6 (43)
2.0L I-4 DOHC/6-speed auto	4x2	9.7 (29)	7.0 (40)
2.4L I-4 DOHC/5-speed manual	4x2	9.0 (31)	7.0 (40)
	4x4	9.2 (31)	7.2 (39)
2.4L I-4 DOHC/6-speed auto	4x2	9.8 (29)	7.0 (40)
	4x4	10.0 (28)	7.4 (38)
2.4L I-4 DOHC/CVT2	4x4	10.3 (27)	8.7 (32)

Freedom Drive II®

Tame the terrain. The Trail Rated® Freedom Drive II Off-Road Group helps you maintain traction and control on the toughest terrain. You'll keep moving on steep grades and get through tough conditions like deeper snow, mud, and sand. The Off-Road Group features a CVT2 transmission with Off-Road mode and a 19:1 crawl ratio which provides the torque multiplication needed for water fording, steep grades, and crawling slowly in off-road events. (Optional on all 4x4 models)

Freedom Drive I®

Hydro-planing can be a terrifying experience; this is when the vehicle's tires are "skimming" across the road like a skier on water. Thankfully, having a Jeep 4WD system like Freedom Drive I helps in situations like this — and can assist in snow, ice, and mud. This state-of-the-art electronic system anticipates the need for added traction and responds to wheel slippage by transferring power to the rear wheels when it occurs. Ready, willing, and all-weather capable. (Standard on all 4x4 models)

Select Optional Equipment

- 6-speed PowerTech Automatic transmission (all models)
- 18-inch Aluminum wheels with Painted Pockets (Limited)
- ParkView® Rear Back-up Camera⁴ (late availability) (all models)

- Ask your retailer about available Mopar® accessory packages

1. Based on 2013 Ward's Small Cross/Utility segmentation, approach angle, departure angle, breakover angle, and water fording depth. Excludes other vehicles designed and manufactured by Chrysler Group LLC. 2. Up to 6.6 L/100 km (43 mpg) highway and 8.9 L/100 km (32 mpg) city on 4x2 Jeep Compass models equipped with the 2.0L engine and manual 5-speed transmission. Up to 7.2 L/100 km (39 mpg) highway and 9.2 L/100 km (31 mpg) city on 4x4 Jeep Compass models equipped with the 2.4L engine manual 5-speed transmission. 3. The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 4. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 5. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 6. Always check entire surroundings before manoeuvring your vehicle. 7. Requires SiriusXM™ radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca 8. Not compatible with all garage door openers. 9. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. 10. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone.
