The 2015 Jeep Patriot is the best-priced 4x4 in Canada.

The 2015 Patriot is unmistakably a Jeep SUV, designed to appeal to compact-SUV buyers who want traditional Jeep styling with best-in-class off-road capability at an affordable price.

New for 2015 is the Eco Green Clear Coat, which replaces Rugged Brown and a new dome light replaces the removable, rechargeable flashlight.

Also new for 2015 is the High Altitude Package available for 4x4 models with the six-speed PowerTech automatic transmission. The High Altitude Package includes leather-faced seating, power sunroof, power six-way driver seat, heated front seats, power windows and locks, leather-wrapped steering wheel with audio controls, and a unique exterior appearance with Gloss Black badging and 17-inch Mineral Grey wheels.

Jeep Patriot offers consumers an incredible value, segment-leading 4x4 capability and excellent fuel efficiency along with rugged exterior styling and clever interior features.

Packed with value and convenience for drivers and passengers, the 2015 Jeep Patriot standard features include: front seat-mounted side air bags, Electronic Stability Control (ESC), Electronic Roll Mitigation, Hill-start Assist, anti-lock brakes, illuminated cup holders, outside temperature display, rear fold-flat 60/40 folding seat, rear window defrost and wiper, tilt steering column, cruise control and sliding visors with mirror.

In addition to the standard features, the 2015 Jeep Patriot offers an array of clever features consumers will appreciate whether commuting to work, exploring out-of-the-way places or driving in challenging weather conditions. A Uconnect® multimedia centre with iPod® interface, SiriusXM satellite radio, navigation, power sunroof, a premium audio system with nine Boston Acoustic speakers, articulating liftgate speakers, and fold-flat 60/40 rear reclining seats are some of the available features that make the 2015 Jeep Patriot the perfect compact SUV, enabling drivers and passengers to enjoy any adventure.

### **Segment-leading capability**

The 2015 Jeep Patriot offers customers unsurpassed 4x4 off-road capability with the Jeep Freedom Drive II® four-wheel-drive system.

Jeep Patriot is available in three drivetrain configurations. In addition to the standard front-wheel-drive system, it also is available with Freedom Drive I® and Freedom Drive II.

Jeep Freedom Drive I 4x4 is an available full-time, active four-wheel-drive system with lock mode designed to give drivers year-round assurance with the ability to handle rough weather and low-traction conditions. This active four-wheel-drive system is recommended for daily use, including slick conditions that come with rain and light snow. Freedom Drive I also features a lockable centre coupling, giving drivers the ability to put the Jeep Patriot in four-wheel-drive lock mode to handle deep snow, sand and other low-traction surfaces.

The Jeep Freedom Drive II 4x4 off-road package is an available four-wheel-drive system that delivers Jeep Trail Rated® capability in Patriot form. The Freedom Drive II off-road package includes a second-generation continuously-variable transaxle with low range (CVT2) that engages when the off-road mode is activated, 19:1 crawl ratio, 17-inch all-terrain tires and aluminum wheels, a full-size spare tire, skid plates, tow hooks, fog lamps and manual seat height adjuster. The available Freedom Drive II off-road package is recommended for off-road situations that include steep grades, occasional wheel lift and rock or log climbing.

In addition to the available off-road capability, the 2015 Jeep Patriot delivers up to 907kg (2,000lb) of towing capacity when properly equipped.

The 2015 Jeep Patriot's powertrain is designed to deliver world-class performance and refinement in all weather conditions and fuel economy up to 7.8 L/100 km (36 mpg) highway\* (\*new 5-cycle rating shown, see last page for 2-cycle comparison), all at an affordable, value-packed price.
