- Fog lamps
- Remote start (with automatic)
- Security alarm
- Electronic shift-on-the-fly transfer case (4x4)

<sup>(1)</sup> Based on class 3 - 5 conventional chassis cabs. Based on competitive information available at time of publication. <sup>(2)</sup> 410 horsepower on trucks below 4,567 kg (10,000 lb) GVW. 367 horsepower on trucks above 4,567 kg (10,000 lb) GVW <sup>(3)</sup> Based on class 3 - 5 conventional chassis cabs. Oil change intervals will vary based on excessive engine run times, operating conditions, maintenance schedules, and driving habits. Excluding diesel engines with B20 fuel. <sup>(4)</sup> No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions <sup>(5)</sup> The front air bags are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. <sup>(6)</sup> Requires SiriusXM Radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. <sup>(7)</sup> Subscription required at extra cost. See your dealer for details on applicable fees. <sup>(8)</sup> Must use Bluetooth-compatible phone. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Phone must support Bluetooth Phone Book Access Profile. <sup>(9)</sup> Not compatible with all garage door openers. For more information, please visit ramtruck.ca.  
†Prices as shown are MSRP. Excludes freight (\$1,695), air tax (\$100), insurance, registration, license, retailer administration fees, new tire. Duties in Quebec and dealer accessories are not included. Retailer may sell for less.
