1. Based on Vauxs Auto Upper Small Sedan costing under \$25,000. 2. The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants under the age of 2 should never be placed in a front seat. 3. Side-impact protection system (SIPS) is a standard feature on all Dodge vehicles. 4. The electronic stability control (ESC) system can help reduce the risk of rollover. 5. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 6. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 7. Requires SIRIUSXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 8. Not compatible with all garage door openers. 9. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. †Prices as shown are MSRP. Excludes freight (\$1,745), air tax (\$100), insurance, registration, license, retailer administration fees, new tire, duties in Quebec and dealer accessories are not included. Retailer may sell for less.
