- **The 2016 Jeep® Patriot is the most affordable SUV in Canada**
- **Jeep Patriot is the most capable off-road vehicle in its class**
- **2016 model year debuts a model lineup with added standard content**
- **Popular Patriot High Altitude model continues for 2016, delivering a unique style and exceptional value**
- **With legendary Jeep capability and style, fuel economy as good as 7.8 L/100 km (36 mpg) highway, more than 30 available safety and security features, value pricing, starting at a Canadian Manufacturer's Suggested Retail Price (MSRP) of \$18,495, the 2016 Jeep Patriot delivers exceptional value for consumers**

For 2016 Jeep® Patriot delivers a revised value-focused model lineup that delivers more standard and optional content, unmatched 4x4 capability for secure driving in all weather conditions, fuel economy as good as 7.8 L/100 km (36 mpg) highway (based on 2015 EnerGuide ratings) and more than 30 standard and available safety and security features. Additionally, Jeep Patriot is the most affordable SUV in Canada.

The 2016 Patriot is unmistakably a Jeep, designed to appeal to compact-SUV buyers who want traditional Jeep styling with best-in-class off-road capability at an affordable price.

For the 2016 model year, three models of the Patriot will be available: Sport, North and High Altitude. New for 2016, automatic headlamps, bright roofs rails and hands-free communication are added as standard features on 2016 Patriot North and High Altitude models. Mojave Sand is a new exterior colour option for 2016.

The popular Patriot High Altitude model continues for the 2016 model year with several new added features. The 2016 High Altitude Package includes new 17-inch aluminum wheels with Granite-painted pockets; bright front fascia, rear fascia, roof rails and exhaust tip; leather-faced seating, power sunroof,

a power six-way driver seat, hands-free communication with Bluetooth® streaming audio and SiriusXM satellite radio with one-year subscription.

The Jeep Patriot delivers segment-leading 4x4 capability and excellent fuel efficiency along with rugged exterior styling and a roomy interior with clever interior features.

Packed with value and convenience for drivers and passengers, the 2016 Jeep Patriot standard features include: front-seat-mounted side air bags, Electronic Stability Control (ESC), Electronic Roll Mitigation, Hill Start Assist, antilock brakes, illuminated cup holders, sunscreen glass, fog lamps, outside temperature display, rear fold-flat 60/40 folding seat, rear window defrost and wiper, tilt steering column, cruise control and sliding visors with mirror.

In addition to the standard features, the 2016 Jeep Patriot offers an array of available features consumers will appreciate whether commuting to work, exploring out-of-the-way places or driving in challenging weather conditions. Navigation, power sunroof, a premium audio system with nine Boston Acoustic speakers and articulating liftgate speakers, and fold-flat rear seats are some of the available features that make the 2016 Jeep Patriot the perfect compact SUV, enabling drivers and passengers to enjoy any adventure.

Segment-leading capability

Jeep Patriot is available in three drivetrain configurations. In addition to the standard front-wheel drive system, it also is available with Freedom Drive I® or Freedom Drive II® 4x4 systems. The Jeep Freedom Drive II 4x4 system delivers best-in-class 4x4 off-road capability.

Jeep Freedom Drive I 4x4 is an available full-time, active four-wheel-drive system with lock mode designed to provide year-round assurance with the ability to handle rough weather and low-traction conditions. This active four-wheel-drive system is recommended for daily use, including slick conditions that come with rain and light snow. Freedom Drive I also features a lockable centre coupling, giving drivers the ability to put the Jeep Patriot in four-wheel-drive lock mode to handle deep snow, sand and other low-traction surfaces.

The Jeep Freedom Drive II 4x4 Off-road Package is an available 4x4 system that delivers Jeep Trail Rated® capability in Patriot form. The Freedom Drive II Off-road Package includes: second-generation continuously-variable transaxle with low range that engages when the off-road mode is activated, 19:1 crawl ratio, 17-inch all-terrain tires and aluminum wheels, skid plates, tow hooks, fog lamps and manual seat height adjuster. The available Freedom Drive II Off-road Package is recommended for off-road situations that include steep grades, occasional wheel lift and rock or log climbing.

The 2016 Jeep Patriot's powertrain is designed to deliver world-class performance and refinement in all weather conditions and fuel economy as good as 7.8 L/100 km (36 mpg) highway, all at an affordable, value-packed price.

The 2016 Jeep Patriot delivers up to 907 kg (2,000 lb.) of towing capacity.

Jeep Patriot model lineup

The 2016 Jeep Patriot offers three available models: Sport, North and High Altitude. All models have available front-wheel drive, the Jeep Freedom Drive I full-time active 4x4 system and Sport/North offer an available Freedom Drive II off-road full-time active 4x4 system with low-range capability.

Jeep Patriot Sport

The 2016 Jeep Patriot Sport is powered by the 2.0-litre I-4 World Engine mated to a five-speed manual transmission, producing 158 hp and 141 lb.-ft. of torque. Standard features include: front-seat-mounted side air bags, all-row side curtain air bags, Electronic Stability Control (ESC), Electronic Roll Mitigation, Hill Start Assist, advanced multistage driver and front passenger air bags, anti-lock front disc and rear drum brakes, illuminated cup holders, floor mats, outside temperature display, fold-flat 60/40 folding rear seat, rear seat heat ducts, rear window defrost and wiper, front sliding visors with mirror, tilt steering column, cruise control, deep tint glass and roof side rails.

Optional features available for the 2016 Patriot Sport model include: air conditioning, Radio 230 multimedia centre, Tire and Wheel Group and Mopar Katzkin Leather seats.

The 2016 Jeep Patriot Sport model optional powertrains include the 2.4-litre DOHC 16-valve dual VVT I-4 engine, which produces 172 hp. Optional transmissions include the CVT2 transmission and the six-speed PowerTech automatic transmission.

Jeep Patriot North Edition

The 2016 Jeep Patriot North Edition offers the standard features of the Sport, as well as the following upgrades: air conditioning, power windows, power door locks, power heated exterior mirrors, illuminated keyless entry, automatic headlamps, rear 60/40 seat recline, driver seat height adjuster, 115-volt power inverter and body colour exterior door handles and liftgate brow.

Optional features available include: Radio 430 multimedia centre with 6.5-inch touchscreen, Premium Sound Group which includes nine Boston Acoustic speakers including subwoofer and two flip-down liftgate speakers, Sun and Sound Group and much more.

Optional transmissions include the six-speed Powertech automatic transmission or the CVT2 transmission with the Freedom Drive II Off-road Package that delivers a 19:1 overall crawl ratio.

Jeep Patriot High Altitude

The High Altitude model includes leather-trimmed seats, power six-way driver's seat, power express open/close sunroof, heated front seats, bright side roof rails, hands-free communication with Bluetooth® streaming audio, SiriusXM satellite radio with one-year subscription and leather-wrapped steering wheel.

The 2016 Jeep Patriot is available in the following exterior colours: Billet Metallic, Black, Bright White, Deep Cherry Red Crystal Pearl, Granite Crystal Metallic, Eco Green, True Blue Pearl and Mojave Sand Pearl (late availability).

Warranty

The 2016 Jeep Patriot is backed by a 5 year / 100,000 km fully transferable Powertrain Limited Warranty. Basic Warranty coverage is 3 years / 60,000 km.

Manufacturing

The 2016 Jeep Patriot is built at the FCA US LLC Belvidere Assembly plant in Illinois.

About FCA Canada

Founded as the Chrysler Corporation in 1925, FCA Canada Inc. is based in Windsor, Ontario, and celebrates its 90th anniversary in 2015. FCA Canada Inc. is a wholly owned subsidiary of FCA US LLC, a member of the Fiat Chrysler Automobiles N.V. (FCA) family of companies. FCA Canada has approximately 440 dealers and markets Chrysler, Jeep, Dodge, Ram and FIAT brands as well as the SRT performance vehicle designation. The company also distributes the Alfa Romeo 4C model and Mopar products. In addition to its assembly facilities, which produce the Chrysler Town & Country, Dodge Grand Caravan (Windsor), Chrysler 300, Dodge Charger and Dodge Challenger (Brampton), FCA Canada operates an aluminum casting plant in Etobicoke, a research and development center in Windsor, and has sales offices and parts distribution centers throughout the country.

FCA, the seventh-largest automaker in the world based on total annual vehicle sales, is an international automotive group. FCA is listed on the New York Stock Exchange under the symbol "FCAU" and on the Mercato Telematico Azionario under the symbol "FCA."
