Based on 2015 EnerGuide fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for EnerGuide information.

1. Jeep "Small SUV" sub-segmentation based on small sport and cross utility vehicles including Nissan Juke, Mini Countryman, Mini Paceman, Buick Encore. 2. Jeep "Small SUV" sub-segmentation based on small sport and cross utility vehicles including Nissan Juke, Mini Countryman, Mini Paceman, Buick Encore. 3. The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 4. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 5. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 6. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 7. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 8. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 9. Requires SiriusXM radio subscriptions governed by SiriusXM terms and conditions available at siriusxm.ca. †Prices as shown are MSRP. Excludes freight (\$1,745), air tax (\$100), insurance, registration, license, retailer administration fees, new tire. Dues in Quebec and dealer accessories are not included. Retailer may set for less.

- Premium cloth seating
- Rear 60/40 folding seat
- 7-inch full-colour customizable in-cluster display centre
- Front and rear floor mats
- 115-volt auxiliary power outlet
- Rain-sensing windshield wipers

BEST-IN-CLASS 4X4 CAPABILITY³

- **Jeep Active Drive Low** - Utilizes its low range, one-speed system with Hill Descent Control to deliver a Trail Rated® 20:1 crawl ratio on Trailhawk models
- **Hill Descent Control** - Monitors throttle, speed and braking when gravity's pull wants to take over. Brakes are automatically applied for a safe and smooth descent
- **Hill Start Assist** - This standard system helps avoid rollback when starting on steep inclines by keeping the brakes applied, giving you time to transfer your foot to the gas pedal

CLASS-EXCLUSIVE SELEC-TERRAIN®²

Five modes for the best performance for any condition:

- **Auto** - Automatically adjusts vehicle dynamics to best suit the terrain and help ensure optimal efficiency
- **Snow** - Minimizes oversteer and maximizes traction over icy or snow-covered roads
- **Sand** - Maximizes low-speed traction on looser, sand-covered surfaces
- **Mud** - Maximizes low-speed traction by allowing additional wheel slip to successfully tackle mud
- **Rock** - Delivers low-speed 4x4 capability, enabling 20:1 crawl ratio for serious off-road manoeuvring

FUEL ECONOMY

Based on 2015 EnerGuide fuel consumption ratings. NEW 5-cycle test method applies to 2015 model year vehicles. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for EnerGuide information.
