(1) Based on Automotive News full-size pickup segmentation. 2015 EnerGuide highway fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. 11.3 L/100 km (25 mpg) city and 8.0 L/100 km (35 mpg) highway on Ram 1500 Quad cab 4x2 HFE model with 3.0L EcoDiesel V6 and 8-speed automatic. (2) Based on Automotive News Full-Size Pickup segmentation and competitive information available at time of printing. (3) The front air bags are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. (4) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (5) Requires SiriusXM Radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. (6) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. Phone must support Bluetooth Phone Book Access Profile (PBAP). (7) Not compatible with all garage door openers. (8) Subscription required at extra cost. See your dealer for details on applicable fees. (9) Always check entire surroundings before backing up. (10) Never program while driving.
