<sup>†</sup>Prices as shown are MSRP. Excludes freight (\$1,795), air tax (\$100), insurance, registration, license, retailer administration fees, new tire duties (in Quebec) and dealer accessories are not included. Retailer may sell for less.

**DISCLAIMERS:** Specifications, pricing, descriptions, illustrative materials and all competitive comparisons/claims contained in this document are as accurate as known at the time of production approval (June 2016). Some of the equipment shown or described throughout this document is available at extra cost. **1.** Based on the latest available competitive information for minivans in the WardsAuto Small Van segment (Honda Odyssey, Toyota Sienna, Kia Sedona). Excludes other vehicles designed and manufactured by FCA US LLC. **2.** This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. **3.** Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. **4.** Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. **5.** Not compatible with all garage door openers. **6.** The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. **7.** No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. **8.** Additional fees will apply for retailer-activated navigation. **9.** Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. **10.** Based on EnerGuide fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. For EnerGuide information, please ask your retailer or visit the Government of Canada website: www.vehicles.nrcan.gc.ca.
