

FCA CANADA
EXECUTIVE BIOS

David G. Buckingham
Chief Operating Officer - FCA Canada Inc.

David Buckingham was named Chief Operating Officer, FCA Canada Inc., formerly Chrysler Canada, in June 2011.

Previously, Buckingham was Vice President - Sales, a position he was named to in June 2006. In that role, he was responsible for all sales development and strategy, business management, dealer development, retail strategies, fleet sales, and business center operations.

Buckingham is a 28-year veteran of the Company's sales organization. Since joining the Company in 1988 as a sales trainee, Buckingham has worked in the Toronto and Calgary markets, as well as Windsor Headquarters.

Buckingham's professional background includes:

- 2011, Chief Operating Officer, FCA Canada (formerly Chrysler Canada Inc.)
- 2006, Vice President - Sales
- 2006, Senior Manager - Eastern Business Center Operations
- 2002, Senior Manager - Sales, Ontario Region
- 2001, Distribution Supervisor - Sales, March
- 2000, Field Operations Planning Specialist - Sales
- 1999, Regional Service Manager - Western Region
- 1998, Regional Operations Manager - Western Region
- 1996, Business Team Coordinator - Western Region
- 1995, Marketing Analyst
- 1989, District Manager A - Ontario Region
- 1989, District Manager B, Western Region
- 1988, Administrative Trainee - Western Region

He holds a Bachelor of Arts from the University of Calgary (1988) in Calgary, Alberta. Buckingham was born in Calgary, Alberta, Canada.
