Fuel Economy

Based on 2016 EnerGuide fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for EnerGuide information.

	City L/100km (MPG)	Highway L/100km (MPG)
3.6L Pentastar VVT V6	12.8 (22)	9.5 (30)
5.7L VVT V8 MDS	16.7 (17)	10.7 (26)

Specifications, pricing, descriptions, illustrative materials and all competitive comparisons/claims contained in this document are as accurate as known at the time of production approval (June 2016). Some of the equipment shown or described throughout this document is available at extra cost. 1. Based on WardsAuto Mid-size Sport Utility segmentation. When properly equipped. 2. Based on WardsAuto Middle Sport Utility segmentation against competitor standard V6 engines. Based on combined highway/city 2016 EnerGuide fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. 12.8 L/100 km (mpg) city 9.5 L/100 km (mpg) highway on Durango base models equipped with the 3.6L Pentastar VVT V6 and 8-speed automatic. Driving Range based on EnerGuide highway fuel consumption ratings and fuel tank capacity. Your actual driving range will vary based on powertrain, driving habits and other factors. 3. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 4. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca 5. The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 6. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 7. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 9. Not compatible with all garage door openers. 10. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 11. Additional fees will apply for Dealer-Activated Navigation.
