DISCLAIMERS: Specifications, pricing, descriptions, illustrative materials and all competitive comparisons/claims contained in this document are as accurate as known at the time of production approval (June 2016). Some of the equipment is or described throughout this document is available at extra cost. 1. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road conditions. 2. Based on the latest available competitive information for minivans in the Mid-Atlantic/Southern segment (Honda Odyssey, Toyota Sienna, Kia Sedona). Excludes other vehicles designed and manufactured by GM, Ford, Chrysler, Ram, Jeep, and other manufacturers. 3. The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in their seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 4. No system can replace the laws of physics or overcome careless driving actions. 5. Service is limited by available traction, which should be and other conditions can affect. When the warning lamp assists, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 6. Service is limited by available traction, which should be and other conditions can affect. When the warning lamp assists, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 7. Always sit properly with the head restraint properly adjusted. 8. Requires SiriusXM radio subscriptions governed by SIRXM terms and conditions available at siriusxm.ca. 9. Not compatible with all garage door openers.
