About the 2017 Fiat 500X

The 2017 Fiat 500X delivers the Italian design and engaging driving dynamics that are synonymous with the FIAT brand. The 500X offers an advanced all-wheel-drive system, functionality, and a full array of safety, comfort and convenience features. The small crossover features two engine options, an available nine-speed transmission, and an all-wheel-drive system with a disconnecting rear axle for improved fuel efficiency. Loaded with over 65 standard and available advanced safety and security features, the Fiat 500X is available in four trim models and 11 exterior colours to offer the personalization options that FIAT vehicles are known for.

Highlights

- 2017 Fiat 500X combines the authentic Italian design and engaging driving dynamics synonymous with the FIAT brand with an available advanced all-wheel-drive system, unmatched functionality, and a full array of safety, comfort and convenience features
- 2017 Fiat 500X leverages the iconic Cinquecento's DNA to deliver classic Italian style with additional space and utility, featuring comfortable seating for five, clever storage, and additional ground clearance with 16-, 17- or available 18-inch wheels. The 500X's dual-pane sunroof offers a power sliding panoramic roof, with side glass panels that match with the bodyside sheet metal for a wide, spacious effect

- Fiat 500X Trekking features rugged styling, with Satin Silver accents and unique front and rear fascia designs for a more distinct, adventurous look
- As the first FIAT vehicle available with all-wheel-drive, the Fiat 500X delivers performance, fuel economy and capability through thoughtfully engineered systems and components
 - Standard on the 500X FWD Pop, Sport and Trekking, the 1.4-litre MultiAir Turbo four-cylinder engine is paired with a six-speed manual transmission and generates 160 horsepower and 184 lb.-ft. of torque for a spirited driving experience
 - The 2.4-litre Tigershark I-4 engine with MultiAir (standard on the Sport AWD, Trekking AWD, and Lounge models; available on the Pop, Sport and Trekking FWD) is paired with the segment's first nine-speed automatic transmission, producing 180 horsepower and 175 lb.-ft. of torque. The nine-speed transmission enables the vehicle to optimize engine output and enable aggressive launches and smooth, efficient power delivery at highway speeds
 - The all-wheel-drive system utilizes a disconnecting rear axle to improve efficiency by reducing parasitic loss when all-wheel drive is not needed
 - Dynamic Selector system allows drivers to select the most suitable vehicle configuration for different driving conditions
- Loaded with over 65 standard and available safety and security features, including Forward Collision Warning with Active Braking, Lane Departure Warning with Lane Keep Assist, Rain-Sensitive Windshield Wipers, Blind-Spot Monitoring with Rear Cross Path Detection
- The 2017 Fiat 500X offers advanced technology, including the available Uconnect 6.5 multimedia centre, with a 6.5-inch touchscreen, navigation; HD Radio (where broadcasts are available), Hands-free communication with Bluetooth streaming audio, voice command and SiriusXM Satellite Radio including one-year subscription. The available BeatsAudio premium sound system includes eight speakers and a subwoofer for studio-quality sound
