1. Class-exclusive 9-speed automatic transmission. Based on Jeep's sub-segmentation based on compact sport and cross utility vehicles including Chevrolet Trax, Mitsubishi Outlander, Subaru Crosstrek, Hyundai Tucson, Kia Sportage, Mazda CX3 and Volkswagen Tiguan. 2. Best-in-Class 4x4. Based on Jeep's sub-segmentation based on compact sport and cross utility vehicles including Chevrolet Trax, Mitsubishi Outlander, Honda CR-V, Subaru Crosstrek, Hyundai Tucson, Kia Sportage, Mazda MX3 and Volkswagen Tiguan. Best-in-class 4x4 capability based on Jeep Active Drive Low 4x4 system and best-in-class approach angle, departure angle and breakover angle. 3. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 4. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 5. The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 6. No system can repeat the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 7. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca.
