

FCA CANADA

2017 Jeep® Renegade OVERVIEW

What's New for 2017

- Jeep® Renegade, Canada's most capable small SUV, offers additional features for 2017:
 - Keyless Go standard on all trims (late availability)
 - Renegade Limited adds standard passive entry
 - HID headlamps (late availability) and automatic high-beam headlamps available as options
 - Renegade North includes 7-inch colour thin-film transistor (TFT) as part of Uconnect 6.5 NAV package
- 2017 Jeep Renegade delivers best-in-class off-road capability
- Renegade Trailhawk model delivers best-in-class 4x4 Trail Rated capability with class-exclusive Jeep Active Drive Low, which includes 20:1 crawl ratio and Jeep Selec-Terrain system
- Fuel economy as efficient as 7.5 L/100 km (38 MPG) highway from both engines: 2.4-litre Tigershark engine with MultiAir paired to a class-exclusive nine-speed automatic transmission, or 1.4-litre MultiAir Turbo engine with six-speed manual transmission
- Features technology once limited to premium SUVs: Uconnect touchscreen radios and the segment's largest full-colour instrument cluster
- Loaded with over 65 standard and available advanced safety and security features
- Designed in North America, crafted in Italy, the 2017 Renegade highlights the Jeep brand's global resources and dedication to meeting customer needs in more than 100 countries

About the 2017 Jeep Renegade

The 2017 Jeep Renegade delivers a unique combination of best-in-class off-road capability, open-air freedom and convenience, a class-exclusive nine-speed automatic transmission that contributes to outstanding on-road and off-road driving dynamics, two fuel-efficient engines, world-class refinement and a host of innovative safety and advanced technology offerings.

Highlights

- Both Jeep Active Drive and Active Drive Low 4x4 systems include the Jeep Selec-Terrain system, providing up to five modes (Auto, Snow, Sand and Mud modes, plus exclusive Rock mode on the Trailhawk model) for the best four-wheel-drive performance on- or off-road and in any weather condition
- Renegade Trailhawk delivers best-in-class Trail Rated 4x4 capability with standard Jeep Active Drive Low with 20:1 crawl ratio; 22 cm (8.7 in.) of ground clearance; skid plates; signature red front and rear tow hooks; up to 20.5 cm (8.1 in.) of wheel articulation; Hill-descent Control; up to 48 cm (19 in.) of water fording; and up to 907 kg (2,000 lbs.) towing capacity with 2.4-litre Tigershark engine and available tow package
- Segment-exclusive disconnecting rear axle and power take-off unit (PTU) optimize fuel efficiency of Jeep Renegade 4x4 models
- Jeep Renegade features fresh styling with rugged body forms and aggressive proportions, which enable approach and departure angles purposely designed to deliver best-in-class off-road capability
- For panoramic views, two available class-exclusive “My Sky” open-air roof panel systems conveniently stow in the rear cargo area to provide passengers open-air freedom with ease
- 2017 Jeep Renegade is available with over 65 safety and security features, including Forward Collision Warning with Active Braking and Lane Departure Warning with Lane Keep Assist
- Jeep Renegade offers advanced technology features once limited to premium SUVs, including Uconnect systems to provide a range of available handsfree communication, entertainment and navigation features, and the segment’s largest full-color configurable 7-inch gauge cluster with personalization options

About FCA Canada

Founded as the Chrysler Corporation in 1925, FCA Canada Inc. is based in Windsor, Ontario, and celebrates its 91st anniversary in 2016. FCA Canada Inc. is a wholly owned subsidiary of FCA US LLC, a member of the Fiat Chrysler Automobiles N.V. (FCA) family of companies. FCA Canada has approximately 440 dealers and markets Chrysler, Jeep®, Dodge, Ram and FIAT brands, as well as the SRT performance vehicle designation. The company also distributes Alfa Romeo models and Mopar products. In addition to its assembly facilities, which produce the Chrysler Pacifica, Dodge Grand Caravan (Windsor), Chrysler 300, Dodge Charger and Dodge Challenger (Brampton), FCA Canada operates an aluminum casting plant in Etobicoke, a research and development center in Windsor, and has sales offices and parts distribution centers throughout the country.

FCA, the seventh-largest automaker in the world based on total annual vehicle sales, is an international automotive group. FCA is listed on the New York Stock Exchange under the symbol “FCAU” and on the Mercato Telematico Azionario under the symbol “FCA.”
