**Fuel Economy** Based on 2018 EnerGuide fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for EnerGuide information.

	City L/100 (MPG)	Highway L/100 (MPG)
3.6L Pentastar VVT V6	12.7 (22)	9.6 (29)
5.7L VVT V6 MDS	16.7 (17)	10.9 (26)

Specifications, pricing, descriptions, illustrative materials and all competitive comparisons/claims contained in this document are as accurate as known at the time of production approval (June 2017). Some of the equipment shown or described throughout this document is available at extra cost. † Late availability. 1. Jeep Grand Cherokee has received more awards over its lifetime than any other SUV. 2. Based on VauxAuto Middle Sport Utility segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. 3. Based on VauxAuto Middle Sport Utility segmentation and combined horsepower and torque ratings. Excludes other vehicles designed and manufactured by FCA US LLC. 4. Based on VauxAuto Middle Sport Utility segmentation and combined horsepower and torque ratings. Excludes other vehicles designed and manufactured by FCA US LLC. 5. Based on VauxAuto Middle Sport Utility segmentation and combined horsepower and torque ratings. Excludes other vehicles designed and manufactured by FCA US LLC. 6. Based on 2017 EnerGuide fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for EnerGuide information. 7. Apple CarPlay and Android Auto are trademarks of Apple Inc., registered in the U.S. and other countries. 8. Based on 2017 EnerGuide fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for EnerGuide information. 9. Based on HSMarket Automotive Canadian New Vehicle Total Registrations from CVE 2011 - 2015 and CVD July 2016 for all Cars, Light Duty and Medium Heavy Duty Trucks with a V8 engine. 10. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 11. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 12. The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride bucked up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 13. No system can repeat the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, it indicates that the vehicle's stability control system has detected a loss of traction. The system will attempt to correct the problem by adjusting engine power and applying the brakes to individual wheels. If the problem persists, the vehicle will slow down and the warning lamp will remain on. 14. Uconnect 4C NAV is available on the 3.0L EcoDiesel V6 and 5.7L V8. 15. Uconnect 4C NAV is available on the 3.0L EcoDiesel V6 and 5.7L V8. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations.
